

Canadians are famous for their hospitality, and OHC Calgary's hosts are no exception! Our homestay families provide a first-rate homestay experience. Students stay in a private room and have the option of choosing whether 2 or 3 meals a day are included during their stay. Living with a local family is an excellent way to experience Canadian culture and provides a great opportunity to practice English outside of classes.

All of our host families live in comfortable neighbourhoods within the Calgary city limits, and all of the homes are under 60 minutes by bus or train from the school.
